

How to build a Sky's Not the Limit Campaign

Open the homepage: <https://www.perspectivespreparatory.com/>

Select the Menu button on the top right of the screen.

Next, scroll down and select the Sky's NOT the Limit! Link.

You will be taken to the Sky's NOT the Limit landing page.

Grow we must!

PPA is a tuition-free inclusive school with 230+ students on the wait-list from across the country. We want your help to remove the roadblock to student success by opening additional classrooms. With an increase in our budget we can prepare to grow when our current lease is up.

Next, give your campaign a title. This should be personal to you and your student(s). You will need to set a goal. The minimum required for this school year is \$500 but we would like to encourage everyone to raise at least \$1,000. Next, type out why you want people to donate to PPA. Tell your student's story and what PPA means to use. Be sure to let people know you attend tuition-free and all donations go directly to keep students in their classrooms. As and FYI this entire fund goes ONLY towards student tuitions and nothing else.

The screenshot shows a web form for creating a campaign page. At the top left is the logo for Perspectives Preparatory Academy. At the top right are buttons for 'Share' and 'Menu'. The main heading is 'PPA's Page for Sky's NOT the Limit!'. Below this are several input fields: 'Personal Campaign Title' with the text 'Soar with the Aviators', 'Optional: Set Fundraising Goal (Numbers only - no decimals or symbols)' with a '\$' icon and the number '1000', and 'Optional: Set Campaign End Date' with an empty date field. The 'Personal Campaign Story' section features a rich text editor with a toolbar containing options like font face (Varela Round), size (14), bold, italic, underline, text color, background color, link, unlink, list, and indent. The story text reads: 'We believe that students in 417 land and beyond should have the opportunity to receive a college preparatory education regardless of their abilities. We believe families have enough to worry about so we are supporting the Sky's NOT the LIMIT campaign to support to fund students in their classroom. Perspectives Preparatory Academy is TUITION-FREE! Please help our students achieve their goal of being the future workforce of Springfield, Mo and beyond! Please give today.' Below the story is a 'Team Association' section with three buttons: 'Individual (No Team)' (highlighted with a red border), 'Join a Team', and 'Create a New Team'. At the bottom is a large red 'Get Started' button (highlighted with a yellow border) and a checkbox area with the text 'By signing up, I agree to the terms and conditions.'

Once you have everything filled out select the Get Started button.

You did it! You will see your notice of completion and be able to immediately share it on social media! You can view or edit your page at any time. It is recommended to bookmark your page in your browser but you will have the links in email as well.
